HERITAGE COMMUNITY
FOUNDATION 2nd Annual

Sporting Clays Classic

Friday, October 18, 2019

HERITAGE COMMUNITY FOUNDATION FAST FACTS:

- The Heritage Community Foundation began in 2015 by a group of Heritage Bank employees seeking a tangible way to support the good work being accomplished in our local community by not-for-profit agencies and organizations.
- ***Since beginning its work in 2015, the Heritage Community Foundation has provided over \$500,000 of grant funding to more than 100 local non-profit groups!***
- **100% of donations are invested back into the community.** No portion of any donation is used for "operating expenses". All of the Foundation's operating expenses are paid in full by Heritage Bank. 100% of your donation is used to support the work of non-profit groups in our community.
- **The HCF funding comes from Heritage Bank employees, local businesses, individual gifts and fundraising efforts.**
- HCF focuses support for non-profit groups and agencies serving Henry, Clayton and Fayette Counties.
- **The average grant amount is \$2,700 used to support the work of qualified local non-profit organizations.**
- The HCF Board of Directors is made up of Heritage Bank volunteer employees. The HCF Board has established a set of grant guidelines and qualifications that the organization's requesting grant funds must meet. Every organization requesting a grant from HCF is thoroughly screened to assure they meet the HCF standards and guidelines.
- **The HCF has an IRS designation as a 501c3 organization and therefore all donations are tax deductible.**
